vs.

Defendant(s).

ENTERED

Memorandum Opinion

The court has for consideration the plaintiff's motion for summary judgment, filed June 14, 1999. Counsel for both defendants have informed the court that they have no objection to the motion, and that it should be granted. After reviewing the materials submitted by the plaintiff, as well as the record in the case, this court agrees. The court concludes that "there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law." Fed. R. Civ. P. 56(c). Summary judgment will therefore be granted. The court will enter an appropriate order in conformity with this memorandum opinion.

Done, this 29th of July, 1999.
